## **Come Join Us on A Visit to Wahiawa Botanical Garden!**

The rainforest garden cradled along a 27 acre ravine in Central Oahu is a haven for tropical flora requiring a cooler climate. Pick up dried fallen material along the path, listen to the birds, learn the Hawaiian names of plants, enjoy a stroll and bento meal with friends and stay for a ti leaf rosettes workshop if your time permits.

Garden features: Epiphytes, Tree ferns, Aroids, Native Hawaiian Plants

Bring your own water, walking shoes, long sleeve shirt, mosquito/bug repellent. A few mosquito repellent bracelets will be available. Carpool recommended.
